

## Diagnostic Technician

### Description

#### Diagnostic Technician

Our client is looking for a Diagnostic Technician to work at their centre in the Coventry area.

With a fantastic reputation and an extremely dedicated customer service team, you will be part of an exciting company that offers bundles of future opportunity and they look to promote internally.

### Responsibilities

**As a Diagnostic Technician some of your responsibilities will be:**

- Identify worn & faulty components in accordance with the DVSA Standards
- Complete client documentation while working to agreed time scales
- Diagnose and repair of motor vehicles
- Servicing of vehicles
- Train and assist apprentices

### Qualifications

**Requirements for the role:**

- Qualified Diagnostic Technician (most brands considered)
- Level 3 (NVQ or City and Guilds or IMI Qualification) in Vehicle Repair
- Main Dealership or Independent Garage experience
- Ability to work as part of a team
- Positive attitude and flexible with workloads
- A genuine commitment to delivering first-class customer service
- Experience in carrying out diagnostic and service repairs
- Systematic and organised individual who pays attention to the smaller details.
- Demonstrates an eager and honest approach to work.
