Diagnostic Technician

Description

Our client is part of a medium sized dealership group and is looking for expert Diagnostic Technicians for their new dealership based in Slough.

They offer great bonuses for time efficiency and productivity on jobs completed as well as offering superb working conditions in a brand new dealership.

Responsibilities

As a Diagnostic Technician, you will be involved in all aspects of maintenance and repairs of vehicles, carrying out routine servicing and maintenance checks according to franchise guidelines ensuring the highest possible standards are achieved and maintained.

The job includes work that ranges from servicing to diagnostics. You must be able to work within a dealership environment as part of a large team, with good technical skills and a calm working head. The right person for the role is professional, confident, reliable and motivated.

Qualifications

- Experience as a Diagnostic Vehicle Technician at a dealership
- Level 3 Light Vehicle Maintenance Qualified (or equivalent)
- Ideally 4+ years of experience as a technician within the motor industry
