Vehicle Paint Sprayer

Description

We are looking to recruit a talented, efficient, and experienced Vehicle Paint Sprayer for one of our most desirable clients.

You will be repairing damaged vehicles in line with the manufacturers' specifications within a state-of-the-art body shop, utilising modern equipment and techniques.

Responsibilities

- Prepare vehicles to be sprayed
- Mix paint to ensure a perfect match
- Spray painting vehicles
- Quality check on completion ensuring there are no defects

Requirements

Ideally you will have served a recognised apprenticeship as Paint Sprayer and gained a technical qualification (such as NVQ / VCQ / SVQ / ATA).

Will be familiar with water-based paints & have extensive hands on experience in a car painting environment.

Must have previous experience working as a Paint Sprayer within a busy body shop and be a strong team player with a self-motivation to earn bonus hours.

You will work to the highest standard and demonstrate a sound up-to-date knowledge of vehicle repair techniques.

Follow the correct repair techniques and produce work in line with factory specifications and customer satisfaction
